Bridge carrying IL 143 over Railroad 0.3 miles east of IL 3 in Madison County

Wood River, IL – The Illinois Department of Transportation today announced that IL 143, 0.3 miles east of IL 3, will be restricted to one lane in each direction beginning Monday, July 17, 2017, weather permitting. This work is required in order to perform repairs on the existing bridge and is expected to be completed by the end of October this year.

The Department advises the travelling public to follow all construction signs and drive with caution through the work zones.

The contractor on this project is The Kilian Corporation of Mascoutah, Illinois.
